Energy efficiency through smart technology: Anaconda technology

Cogenpower (CGP.L) designs, builds or transforms, owns and operates high efficiency district heating and cooling schemes, scalable to serve communities from 3,000 to 50,000 people. At the heart of the business is Cogenpower's Anaconda Artificial Intelligence technology, an automated, Artificial Intelligence energy generation and control system equipped with a heat storage facility that delivers heat to customers and electricity to the grid with proven energy efficiency of more than 90%. Cogenpower was admitted to trading on AIM in February 2016.
