Eight Capital Partners plc
("ECP", "Eight Capital" or "the Company")

Proposed debt conversions into New Ordinary Shares, Rule 9 Waiver
and Notice of General Meeting

Eight Capital Partners plc (AQSE: ECP), the financial services operating company that aims to grow revenue through businesses engaged in "Fintech" operations, from the digitisation of banking services, through to blockchain-backed disruptive finance companies, announces that it has today posted to its Shareholders a circular (the "**Circular**" or "**Document**") convening a General Meeting ("**GM**") of the Company to be held at 11 a.m. on 21 July 2022 at 50 Sloane Avenue, London SW3 3DD to seek Independent Shareholder approval of a waiver of obligations under Rule 9 of the City Code on Takeovers and Mergers for the conversion of €17 million of a vendor loan of €20 million owed to IWEPL Limited (the "**Investor**"), and €800,000 of its listed Vienna Bonds held by the Investor into equity in ECP. (the "**Investment**"). In addition, the Company has agreed that Concreta Srl and DL Ced S.r.l can, on the same terms, convert in aggregate €1.7 million of existing debt held by them into equity (the "**Conversions**").

This forms an important step in the Company's previously announced strategy to grow the market capitalisation of the Company towards and beyond £50 million. The Company has also previously stated that it may seek to undertake an equity fundraise to existing and new investors following the Investment and Conversions alongside additional debt to equity conversions.

A copy of the Circular is available on the Company's website:
<https://www.eight.capital/investors/publications/>.

The Independent Directors urge Shareholders to read the Circular carefully when it becomes available because it will contain important information in relation to the Investment, the Investor Warrant and the Conversions, and to take appropriate advice. Any vote in respect of Resolutions should be made only on the basis of the information contained in the Circular.

Capitalised and defined terms used in this announcement have the meanings given to them in the Circular.

Important Information on the Rule 9 Waiver

The Investor currently holds 467,669,173 Existing Ordinary Shares. Immediately following the Investment, the Investor will hold in aggregate 51,179,919,885 Ordinary Shares, representing approximately 89.57 per cent. of the Enlarged Ordinary Share Capital. The Investment for New Ordinary Shares would, without the Waiver, oblige the Investor to make a general offer to Shareholders under Rule 9 of the Takeover Code.

Additionally, following the passing of the resolutions at the Vienna Bonds bondholder meeting on 23 June and as outlined in Section 7 in the circular, the Investor will be issued the Investor Warrants (being 1,367,521,368 Warrants). As a result, following the Investment and should the Investor Warrants be the only convertible instrument exercised and there be no other issues of Ordinary Shares, then the Investor would hold, in aggregate 52,547,441,253 Ordinary Shares, representing approximately 89.82 per cent. of the Further Enlarged Share Capital.

Whether or not the Rule 9 Waiver is approved, the Investor will not be restricted from making an offer for the Company.

The Investor's shareholding in the Company following the Investment is set out in Part II of the Document.

The Company has applied to the Panel for the Waiver in order to permit the Investment and the exercise of the Investor Warrant without triggering an obligation on the part of the Investor to make a general offer to Shareholders.

The Panel has agreed, subject to the Rule 9 Waiver Resolution being passed on a poll of Independent Shareholders, to waive the requirement which might otherwise arise as a result of the Investment and the exercise of the Investor Warrant, for the Investor to make a general offer to all Shareholders. Accordingly, Shareholders should be aware that, following completion of the Investment, the Investor will hold more than 50 per cent. of the Company's voting share capital, and will be able to increase its holdings in the Company without incurring an obligation under Rule 9 to make a mandatory offer to the other Shareholders.

Under the AQSE Growth Market Access Rulebook, IWEP is classified as a related party of the Company due to sharing a common director and shareholder, Dominic White and, therefore, the Investment constitutes a related party transaction pursuant to Rule 4.6 of the AQSE Growth Market Access Rulebook.

General Meeting

The Resolutions to be proposed at the General Meeting are (i) an ordinary resolution to approve the Rule 9 Waiver, which will be taken on a poll and in respect of which only Independent Shareholders will be entitled to vote and (ii) ordinary and special resolutions in relation to the issue of Ordinary Shares on a pre-emptive basis pursuant to the Conversions and the Investment.

Irrevocable undertakings

The Company has received irrevocable undertakings from certain Independent Shareholders to vote in favour of the Rule 9 Waiver Resolution at the General Meeting in respect of, in aggregate, 373,531,471 Existing Ordinary Shares representing approximately 34.06 per cent. of the Ordinary Shares held by Independent Shareholders entitled to vote on the Rule 9 Waiver Resolution.

IWEP, which has given an irrevocable undertaking in respect of Resolutions 2 and 3 is not able to vote on the Rule 9 Waiver Resolution.

As a result, the Company has received irrevocable undertakings from Shareholders in favour of Resolutions 2 and 3 at the General Meeting in respect of, in aggregate, 841,200,644 Existing Ordinary Shares representing approximately 53.77 per cent. of the Ordinary Shares in issue.

Further details of the irrevocable undertakings are set out in the Document.

Action to be taken

The Notice of General Meeting to be held at 11:00 a.m. on 21 July 2022, is set out at the end of the Document. A Form of Proxy for use by Shareholders in connection with the General Meeting is also enclosed with the Document.

You are requested to complete the Form of Proxy in accordance with the instructions printed on it and to return it to the Company's registrars, by post or by hand (during normal business hours only) to SLC Registrars, P.O. Box 5222, Lancing, BN99 9FG, United Kingdom, or by email to proxy@slcregistrars.com as soon as possible, and in any event so as to arrive no later than 11:00 a.m. on 19 July 2022. Please note, emailed Forms of Proxy must be in either .jpg or .pdf format.

Recommendation

In light of his interest in IWEP and the proposed Investment, Dominic White, Chairman of Eight Capital, has not participated in the appraisal by the Board of the Investment. The Company has constituted a committee comprised of the Independent Directors for the purpose of evaluating and providing the recommendation to Independent Shareholders.

The Independent Directors, having been so advised by Cairn Financial Advisers LLP as to the financial terms of the Investment, the Investor Warrant and the Rule 9 Waiver, consider the terms of the Investment, the Investor Warrant, the Rule 9 Waiver and the Rule 9 Waiver Resolution in the Notice of General Meeting to be fair and reasonable and in the best interests of the Independent Shareholders and the Company as a whole. In providing its advice to the Independent Directors, Cairn has taken into account the Independent Directors' commercial assessments.

Accordingly, the Independent Directors unanimously recommend that Independent Shareholders vote in favour of the Rule 9 Waiver Resolution, and that all Shareholders vote in favour of the other resolutions, as the Independent Directors intend to do in respect of their own beneficial shareholdings, which amount, in aggregate, to 60,143,000 Ordinary Shares, representing approximately 3.84 per cent.

of the Existing Ordinary Shares and 5.48 per cent. of the Ordinary Shares held by Independent Shareholders.

The Directors of the Company are responsible for the release of this announcement.
