About Eight Capital Partners:

Eight Capital Partners plc is an international financial services operating company focused on owning and operating businesses engaged in "Fintech" operations, from the digitisation of banking services, through to blockchain-backed decentralised finance companies.

ECP provides equity, debt, and equity-related investment capital to companies seeking capital for growth and development, consolidation or acquisition, or pre-IPO financing. The Company seeks to generate an attractive rate of return for shareholders, predominantly through capital appreciation, by maximising the revenues, profits and value of its operating subsidiaries, and taking advantage of the increasing number of acquisition opportunities within the continuously developing global technology, and fintech sectors.
